Display Set-Up

Step 1

Expand the Collapsible Frame (1). Push together the four snapping clips on the frame's corners and lock in the spinning support bar.

Step 2

Add the Shelf (3) by fitting the side handles on the locked support bars.

Step 3

Starting on one back corner, align the Graphic (4) with the velcro on the display and attach it around the sides.

Storage

Store in its case, in a cool dry location.

Care

Wipe the frame with a damp cloth. Machine wash graphic on cold, gentle cycle. Air dry only. Never dry clean. Steam for wrinkles.
